# IADCCT 37<sup>th</sup> Annual Meeting and International Convention

As at the 2008 IADCCT Convention, we have a selection of classes from which you may choose. All convention attendees will be enrolled in the Duncan class on Tuesday. There will be six other classes offered. Each attendee will be enrolled in three of these classes – one on Tuesday and two on Wednesday. Please rank order ALL (provide ranks one through six) on the registration form. We will do everything possible to provide you your top three choices, but space constraints may restrict this. Priority will be given by postmark on registration, so register early for the best chance at getting your top choices.

## Class Options:

### Picture
