

# Southern Stars Angel Project

We want to thank all of you that have shared in our enthusiasm to help in completing the Angels for our “Angel Project”.

In speaking with Sylvia Sandoval we have re-thought the colors for the Angels. We feel that Sylvia would be able to utilize all our Angels if they are all white. There is no way of knowing how many of pink or blue Angels would be needed, thus we have come to the conclusion that a white angel would be representative of either gender. As we all know Angels are pure and therefore white would be very appropriate.

Our chapter members have been volunteering to work on these ceramic Angels, some at home and other times at a “Angel” workshop. For those of you that still have some unfinished Angels can you please complete them with white piping and with plain faces. Most of us have decided that the Halos look great in fired gold and mother of pearl is wonderful on the Angel’s wings. If you are not able to do the Halos in fired gold or the wings with mother of pearl, we will be more than happy to do the gold and mother of pearl for you and fire them too. Just notify Lynda Reyes, Jeannie Davis or Arlene Smith if you need help or would like to set up a “Angel” workshop.

Once again, **THANK YOU ALL SO VERY MUCH** for all your enthusiasm for this great cause.
