

SOUTHERN STARS AWARDED THE IADCCT SCRAP BOOK TRAVELING TROPHY! AGAIN!

Our Southern Stars Chapter was surprised to be Awarded the IADCCT Scrap Book Traveling Trophy at this years' International Convention in January-AGAIN! All the IADCCT chapters participate in this event and the competition does get intense....we all want to receive this Trophy.

Jeannie Davis, Southern Stars Committee chair, and her committee members did a wonderful job on the entire book. The content is great! It has wonderful pictures and details on events that our members took part in last year-2006.

Southern Stars have now received this award three times -1998, 2006 and 2007! Let's try to keep it here and start a new tradition!

Congratulations again Jeannie and Committee members-GREAT JOB!
